Only 1/8<sup>th</sup> scale or smaller remote control vehicles are allowed on the track at any time. No bicycles, mini-bikes, or other unauthorized vehicles are allowed at any time.

Everyone is responsible for keeping his/her pit area clean. The pit area should be left as clean and/or cleaner than when you arrived. There are trash cans throughout the pit area. Please use them.

The Speed Limit is 5mph on the driveway into the Park and throughout the Park. This is a family oriented facility with children playing everywhere. Please drive cautiously.

The Drivers' stand is a NO SMOKING area. Please discard extinguished cigarettes into the dedicated cans.

Please limit running your vehicles to the tracks. Running them in the pits or parking lot is not permitted.

Only drivers are permitted on the Drivers' Stand during racing.

Foul language will not be tolerated. Spectators and children can hear every word spoken.

Closed toe shoes must be worn on the track area. Barefoot, flip-flops, or open toe shoes are not permitted.

Theft will NOT be tolerated and will result in criminal charges and expulsion from the track IMMEDIATELY! Please keep your pit area clean and your tools out of sight, perhaps even locked-up. You are responsible for your belongings.

Parents, while we encourage you to bring your entire family, we cannot stress safety enough. Please make sure either you, or someone else, is keeping an eye on your child/children. Children under the age of ten (10) are prohibited from marshalling. Some of these vehicles are capable of 60+mph. We do not want anyone to be hurt.

No one under the age of 15 will be permitted to use the track unless accompanied by a parent or guardian.

RC Fun Park and their affiliates are not responsible for any damage/theft or liability to you or your RC car. This is a race environment - parts break. Race at your own risk. If you observe unsafe activity of any type on the property, report it to a track official and it will be addressed. Safety is everyone's responsibility and should be taken seriously. We encourage and practice safe activity at the Park. We expect everyone using the facility to do the same. We want everyone to have a great experience at RC Fun Park.

The most important rule at RC Fun Park is to have FUN! Please have the right attitude. This is a hobby and is supposed to be fun. Please remember that these are toys and we are out here to have fun racing toy cars/trucks.
